Definitions

¹ "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

² "Students available for graduation" is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.

³ "Number of On-Time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

⁴ "On-Time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

⁵ "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

⁶ "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁷ "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

⁸ "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

⁹ "Salary" is as reported by the graduate. Not all graduates report salary. A list of the employers of the Graduates Employed in the Field can be obtained from info@hackreactor.com.

¹⁰ "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

We want you to thrive but life events can get in the way. Email Hack Reactor Admissions when something gets in the way of your progress and we'll try to find a fix. If we can't make this work, cancel (and ask for a full refund) or withdraw (and receive a partial refund).

- To cancel: the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Email admissions@hackreactor.com.
- To withdraw: We ask that you withdraw in writing, too. Email us at communication@hackreactor.com.
- Refunds: Your instructional fees are fully refundable before a) the first lecture or b) 7 days after enrollment, whichever is later. After that, if you withdraw or cancel in the first 60% of the course, we'll give you a prorated refund. After 60% of the course is completed, there are no refunds. In addition, your application fee and deposit are not refundable. Be sure to let us know your next address so we can mail you any refunds.
